## **MEMBERSHIP and RECRUITMENT**

How do your current numbers compare to years past?

We have two seniors that are student teaching this semester, so they are not in the active members list. We had one student drop out of Baker University as well, which brings our active numbers to 8. Our music department has been struggling severely due to COVID-19 budget cuts.

Is your chapter growing or shrinking?

Shrinking

What types of membership drives or recruitment activities do you host or participate in?

KMEA State Choir Music Learning Day

KMEA Booth

What is your retention like?

We had one drop out of Baker.

## **FUNDRAISING**

Marching Festival fundraiser. Canceled this year, but we're not having to pay for anything this year due to no travel for ISWs. \$425. Our treasurer is working on fundraising ideas for this academic year.

## **CHAPTER MEETINGS**

How often do you have them?

Every other week.

Do you have an attendance policy, is there food/games/merriment?

We will sometimes provide snacks to members who attend, but we usually have pretty good attendance.

How long do they last?

Approximately 30 minutes.

Who runs them?

The president.

How involved is your chapter advisor?

Very involved.

## **PROFESSIONAL DEVELOPMENT**

What professional development events do you attend?

KMEA, KCOMTEPS

Do you host any?

No, but Dr. Perez is the head of KCOMTEPS.

What kind of turn out do you have for said events?

Almost all NAFME members attend KMEA and KCOMTEPS every year. More attend KMEA than KCOMTEPS.

### **TRI-M**

If you have no affiliation with a Tri-M chapter, please state “Our school currently has no affiliation with Tri-M.

Our school has no affiliation with Tri-M.

### **Future Chapter Plans**

Professional development opportunities including Zoom interviews with teachers in the area. Outreach with karaoke night on campus and reaching out to high schools in the area to assist. Possibly doing instrument demonstrations on Zoom. Open to ideas about recruiting new music students!

**MEMBERSHIP and RECRUITMENT**

Our current members are about the same as previous years. Sadly our chapter meeting

---

attendance is shrinking, but our chapter as a whole is growing. We talk to our music theory classes to announce our meetings. Our retention is not good considering we recruit all of the music majors and give out information in person and through email to all 40+ of them.

### **FUNDRAISING**

We didn't fundraise much last year due to COVID-19, and lots of our funds are given through chapter dues, given through the college, or we don't have to pay for much. Because of this we rarely hold fundraisers and don't have any planned. Most of our events are free and/or are for community enjoyment.

### **CHAPTER MEETINGS**

Our chapter meetings have sadly diminished in how many people attend. We have a scheduled chapter meeting every month. Meetings usually last an hour when we have them. All 3 of our board members collectively run our meetings, they are more of a causal setting. Our chapter advisor helps with information when we need, and sits in on all of our meetings, but allows for most things to be completely student led.

### **PROFESSIONAL DEVELOPMENT**

Other than KMEA this year and K-Compteps, we don't have plans as a chapter to attend any other professional events.

### **TRI-M**

Our school currently has no affiliation with Tri-M.

### **Future Chapter Plans**

Our chapter plans to attend and discuss the 2021 KMEA conference. We would like to help host some sort of "cabaret" event, and have it open to the public in the next couple of months.

## **MEMBERSHIP and RECRUITMENT**

Our membership numbers have remained fairly similar from last year to this year. The pandemic has limited our opportunities to recruit, though we have pressed on regardless. We participate annually in our school's Organization Fair for reach out. Freshman Music Ed majors receive a visit from the officers in the fall to be welcomed into our organization. We reached out to every musician and music education major via email to encourage students to become NAfME members. In the fall we held a virtual game night.

## **FUNDRAISING**

Due to the pandemic, we have struggled to find fundraising opportunities. We are tentatively planning either a Mask Decorating Fundraiser or a Music Sticker Fundraiser.

## **CHAPTER MEETINGS**

We aim to have Officer Meetings monthly and full chapter meetings every other month. We try to hold some sort of meeting or event once every other month. Our meetings typically last about an hour and are run by the Officers. Our Chapter Advisor works hard behind the scenes, meeting with the president on a weekly basis.

## **PROFESSIONAL DEVELOPMENT**

Our chapter annually attends KCOMTEPS and KMEA-ISW. We have yet to host our own professional development event, though we are actively planning a PD event about Composing and Arranging with a few of our faculty members who are especially knowledgeable in this area as well as an event with current student teachers and new music teachers about Teaching Music in the Real World.

## **TRI-M**

Our school currently has no affiliation with Tri-M.

## **Future Chapter Plans**

We are planning future professional development events, social events, and fundraising events.

## **Membership and Recruitment**

Due to a large number of graduating seniors, a small freshman class, and the effects of the COVID-19 pandemic, we at FHSU have seen a decrease in the size of our C-NAfME Chapter. We hope to increase our chapter membership this fall and trust that opportunities to meet as a group safely will be possible. Our recruitment efforts include hosting and taking part in a number of activities on campus and across the state. On campus, we are the hosts/guides for our scholarship audition dates that are held every Spring. We show students to available practice rooms and to their respective audition room, and we are available to answer any question from students and their families while on campus. In addition to this we take part in University sanctioned Tiger Days which allow prospective students to meet with faculty, students, get tours of campus, and learn more about what life looks like as a Tiger. On top of the on-campus activities that we take part in, we also attend the KMEA-ISW annually. Our retention is typically quite good.

## **Fundraising**

Our chapter usually hosts a fundraiser in the fall in which we sell pastries to the Hays community. Unfortunately, due to the uncertainty brought about by the COVID-19 pandemic, we made the decision to postpone our fundraiser until next fall (October 2021), in hopes that things will be more predictable. We typically do not partake in additional fundraisers due to the relationship we have with our usual partner.

## **Chapter Meetings**

We typically hold our meetings on a monthly basis, with additional meetings for event preparation as needed. We do not have an attendance policy, but we ask that chapter members be present as much as possible. We have complied with current FHSU policies for student organizations by affording chapter members who would prefer to socially distance themselves the option to attend meetings online. To accommodate this, each meeting agenda and any

important information is sent to all chapter members via a private Facebook page and email. Our meetings are typically 30 to 45 minutes in length. The chapter president is responsible for creating the meeting agenda and running the meeting, with assistance and additional information provided by the chapter supervisor. Our chapter supervisor is quite involved in the process of meetings. Typically, the president will create the meeting agenda in collaboration with the supervisor to ensure that no pertinent information is excluded.

### **Professional Development**

Our chapter typically takes part in two major professional development events: KCOMTEPS, and the KMEA ISW. A recent alumnus graciously recorded a video for presentation at a fall chapter meeting and discussed some of the most important tips he had for new teachers—something we have especially relied on during the pandemic. Our participation in KMEA is typically quite good, with approximately 75-80% of the chapter attending. We are trying to increase the numbers of our KCOMTEPS participants. We will be exploring ways to help fund chapter representation to KCOMTEPS in the future.

### **Tri-M**

Fort Hays State University currently has no affiliation with Tri-M.

### **Future Chapter Plan**

Our future chapter plan is optimistic in relation to the current pandemic. When the time comes and it is safe, our chapter will take part in the following activities:

- ❖ Meet with incoming freshman and transfer students
- ❖ Resume our typical fundraiser in October of 2021 to raise funds to assist in getting student to the KMEA ISW

- 
- ❖ Participate in KCOMTEPS in the Fall of 2021 and increase our number of participants
  - ❖ Participate in and host social events for the FHSU Dept. of Music and Theatre
  - ❖ Work scholarship audition days
  - ❖ Participate in University sanctioned Tiger Days
  - ❖ Host interactive activities and learning stations at the Hays Symphony Orchestra Children's Concert in the Fall of 2021
  - ❖ Host a booth at the FHSU Majors & Graduates Fair in October 2021

## **MEMBERSHIP and RECRUITMENT**

Our numbers continue to grow slowly as more freshmen are declaring music education as their major. Membership tends to fluctuate as some members walk away from the music education major and others find their calling in music education. We often have a handful of performance majors join our group for our benefits. (KCOMTEPS, ISW, snacks, etc.) We typically retain a large amount of our members.

As for recruiting, we hold a membership drive in the first semester. We, as well as the other music groups at our schools, hold a presentation at our concert hour to the new freshman. This year, due to COVID, we could not hold an in person membership drive. So, we instead filmed videos explaining how to register online to be a member and sign up for KCOMTEPS. We plan on doing more reaching out in our ensemble classes and connecting with new students in the halls between classes so that the students feel more personally welcomed into the chapter.

## **FUNDRAISING**

We have not started any fundraising this year. We were originally planning on selling pre-packaged goods before and after concerts and during finals week, but due to concerts going virtual and our school not allowing pre-packaged food to be given out or sold, we are in the process of forming new ideas to fundraise.

## **CHAPTER MEETINGS**

Our chapter meets on a monthly basis. As our students are highly busy we have a flexible attendance policy. However, this year we are getting stricter on attendance and it is the expectation that they should notify members of the cabinet and it is the members responsibility to ask for the agenda and get updated. We are now filming our meetings so that people who cannot attend in person, or cannot attend at all, can either participate virtually or watch the meeting after it occurs. Members who are absent receive an email with the meeting recording and the meeting notes that our secretary takes.

## **PROFESSIONAL DEVELOPMENT**

We have attempted to host a teacher panel in April; however, due to COVID-19 and the mental health of our chapter, we have decided to reschedule. This year, we plan on doing a hybrid/virtual panel to allow a wider variety of teachers to attend. We also plan on opening this event up to chapters all over the state. We are currently in the process of reaching out to specific teachers and forming a set panel. We have acquired specific topics that the student body at Friends would like to discuss with teachers and are forming our panel around those topics. We will have a set date for this panel as of next week - by March 5 at the latest, and we plan to start advertising, reaching out to the other chapters, and setting

---

up a schedule for the virtual panel over the course of March.

### **TRI-M**

Our school currently has no affiliation with Tri-M.

### **Future Chapter Plans**

We plan on continuing our current traditions but also adding more opportunities for our chapter. These opportunities include service projects for our local music educators and hands-on professional development for our younger members. We are also beginning the push of a larger social media presence by starting an instagram page and possibly a snapchat to allow a wider variety of outlets to share what we are doing as a chapter. Our Facebook page changed from a CNAfME page to a Music Education page, due to the request of my advisor, to discuss all things music-ed. This is due to the fact that every music education major at Friends is a member of our CNAfME chapter. Due to COVID, this has been a struggle to achieve, but we continue pushing towards this goal whenever we can.

As for the teacher panel, this will be the first year that it goes beyond our school. It normally is a Friends-only event. This year, we are opening it up to the whole state. In future years, if the state-wide event goes well, we plan on opening it up even larger to a midwest, multi-state wide event.

## **MEMBERSHIP and RECRUITMENT**

Our chapter is currently shrinking due to the loss of graduating seniors from the prior spring and fall semesters of 2019 and 2020 respectively, as well as the inability to recruit members from the incoming freshman class. As a result of all campus activities being either severely limited or prohibited, we were not allowed to hold our normal membership drive in the fall semester. The number of active members has remained fairly consistent while the number of affiliate members has decreased ever since the transition to virtual instruction.

## **FUNDRAISING**

We fundraised \$250 last semester from chapter dues. We have not yet participated in our standard fundraisers of profit-sharing with chain restaurants and do not have plans to do so in this semester, though that may change depending on public health developments. These fundraisers have seen an average amount of \$100 earned every time they occur and will resume in the next academic year as our university is currently planning to phase out pandemic precautions. We would also like to resume plans for a t-shirt fundraiser once normal instruction is able to resume to the point that we can table in our department building.

## **CHAPTER MEETINGS**

We meet over Zoom every two weeks. As this is not a normal semester, we have not enforced the attendance requirement, and purely fun meetings have been phased out in lieu of professional development meetings that can still partially meet that need. When we were capable of in-person meetings, food was provided by the chapter due to the meeting time blocking out a standard dinner time. Meetings last around an hour and are moderated by the chapter president. Our chapter advisor is involved marginally with day-to-day operations, which meetings are included in.

## **PROFESSIONAL DEVELOPMENT**

We attend the KMEA ISW every year. For the first time in many years, K-State also saw representation at KCOMTEPS this year due to the virtual format. With our chapter more proactive on procuring absence excuse letters from our advisor, we hope to see attendance increase even after an in-person format resumes. We do not currently host any professional development events beyond the scope of our chapter meetings. Our attendance for those meetings sees our active members consistently attending with affiliate members popping in throughout the semester.

## **TRI-M**

Our school currently has no affiliation with Tri-M.

### **Future Chapter Plans**

We are currently discussing the revamping of the course requirements of our music education courses with regards to CNAfME. Old requirements asked members to participate in two meetings every semester that they were in a music education course. As mentioned above, we are planning a t-shirt fundraiser and have discussed extending that into other merchandise to fundraise with. Beyond these items, we plan on revisiting our policies and methods when full in-person instruction resumes so that we can have a better idea of what the organization will need beyond a Zoom meeting.

## **MEMBERSHIP and RECRUITMENT**

Our numbers have decreased since our last chapter report, largely due to the fact that our seniors are student teaching. We had 4 guest lecturers last semester, and we are planning on having at most 3 this upcoming semester because of a condensed semester.

## **FUNDRAISING**

Last semester we had a coffee fundraiser. This semester we had a Chipotle Fundraiser, and will be having another fundraiser after KMEA.

## **CHAPTER MEETINGS**

We have decreased the number of meetings for the semester since A) we are meeting over zoom and B) We were told we had too many meetings last semester. I (William Kleemann, President) run the meeting at the beginning, and then turn it over to our guest speaker/other exec board members. This semester we will also be doing elections, so we have devoted the month of April for elections and applications.

## **PROFESSIONAL DEVELOPMENT**

KU NAFME-C will be sending some members to KMEA ISW. Additionally, professional development happens almost every meeting where we have a guest speaker. We host professional development events whenever we have meetings with a guest speaker (this will happen two times this semester). Turnout has been better in the past for these events, but this is a new semester so we will see.

## **TRI-M**

The University of Kansas currently has no affiliation with Tri-M.

## **Future Chapter Plans**

Nancy Kleemann-Menges (my mother), Dr. Julius Kyakuwa and Mrs. Andrea Fredrickson will be speaking at two meetings in March. Our chapter elections will begin in April.

Pretty much the same as we require freshmen to join!

What types of membership drives or recruitment activities do you host or participate in?

President usually attends the freshman “Intro to Music Ed” class and speaks. Also announcements are given about NAFME events after large ensemble rehearsals in a non-covid year.

What is your retention like?

Our retention is really struggling because of covid. We are trying to plan engaging events and meetings, but it has been really hard on us. I feel like our freshmen, our disconnected and our upperclassmen are out of touch as they head towards student teaching.

**FUNDRAISING**

How much did you fundraise last year?

\$0

What types of fundraisers do you host or participate in?

Sticker fundraisers, food fundraisers, donations at concert tables/booths

How effective have they been?

Low-moderate

What are your fundraising plans for the upcoming year?

Working on a fundraiser to include the university/community like a restaurant or food fundraiser (chipotle).

Also, We are currently amid a sticker fundraiser and we have made a little bit of money from it! The stickers said “WSU Music Ed” So they’re a little too specific to be bought widely. It is fun to see everyone having stickers on their gear at school though!

## **CHAPTER MEETINGS**

How often do you have them?

Monthly

Do you have an attendance policy, is there food/games/merriment?

No attendance policy. Usually merriment in the form of icebreakers or a fun opening/closing activity.

How long do they last?

1 hour unless otherwise noted.

Who runs them?

Chapter president.

How involved is your chapter advisor?

Very! Active in event planning, supportive of endeavors, attends all meetings.

## **PROFESSIONAL DEVELOPMENT**

What professional development events do you attend?

KMEA-ISW and KCOMTEPS are required by our department. Student coursework is largely based off of those conferences those weeks which is awesome!

Do you host any?

We aim to host one faculty or community guest speaker for PD each year.

What kind of turn out do you have for said events?

Very good!

## **TRI-M**

If you have no affiliation with a Tri-M chapter, please state “Our school currently has no affiliation with Tri-M.

Our school currently has no affiliation with Tri-M

## **Future Chapter Plans**

Let us know what you have planned for the future!

We will be hosting a “Mental health in music week” that coincides with our Student Government Association’s Mental Health Week in late March. We will have guest speakers, sessions on burnout, a somatic (body awareness movement) session, and more!! We are so excited to support our chapter through these events.

#### **Since the July 2020 Board Meeting, I have:**

1. Coordinated with Lori Supinie and Frank Perez in order to set up clinics and a program for KCOMTEPS.
2. Moderated sessions for virtual KCOMTEPS including sessions for high school choir and interview prep, and moderated a panel and Q&A with first year teachers.
3. Run the collegiate board meeting during KCOMTEPS and collected feedback on the conference.
  - KCOMTEPS Report: Highest number of registered attendees ever at KCOMTEPS, at 155 attendees. This consisted of 134 students, 7 student teachers, and 14 faculty.
4. Organized monthly, informal zoom meetings with the collegiate state board in order to keep communications and collaboration running as smooth as possible.
5. Attended and participated in a number of different local chapter programs over zoom.
6. Organized and hosted a virtual collegiate game night and social event in order to incentivize and generate networking between members across the state.
7. Begun planning a campaign in which collegiate members will write messages and letters of appreciation for music teachers who are teaching during the pandemic.
8. Set the program and order of events for the virtual collegiate luncheon during ISW 2021.
9. Collected Board Reports and planned for the collegiate board meeting during ISW.
10. Met regularly with collegiate advisors in order to prepare for ISW.
11. Prepared a Q&A Panel session aimed towards Tri-M members for ISW titled “College Prep 101.”
