**MEMBERSHIP and RECRUITMENT**

This is a small but mighty chapter. We plan on recruiting during the involvement fair and hosting activities around campus.

**FUNDRAISING**

We plan on doing a fundraiser at least once a year. We have not nailed anything down yet for what this year's fundraiser is going to be.

**CHAPTER MEETINGS**

We have meetings at least once a month and the President runs them.

**PROFESSIONAL DEVELOPMENT**

KMEA and KCOMTEPS

**TRI-M**

Our school currently has no affiliation with Tri-M.

**Future Chapter Plans**

Getting more out into the community and on campus to make our NAFME chapter known!

Number of KMEA ISW Participants	30

## **MEMBERSHIP and RECRUITMENT**

Our current numbers have stayed about the same throughout the last couple of years; however, we have had growth in the number of non-majors we currently have compared to previous years. Our main form of recruitment is done within music-specific classrooms. Along with that, our freshman class has gotten very involved and has been active in the chapter this year. We also have had an increase in members going to both KCOMTEPS and KMEA-ISW. Overall, our retention is great!

## **FUNDRAISING**

Our chapter charges \$31.00 a year for Chapter dues. Also, as of now Butler Community College CNAfME is an SGA sponsored club. Other than that, we are not doing any fundraising at the moment. Although for this upcoming school year we plan to focus on more fundraising for our club.

## **CHAPTER MEETINGS**

Our chapter has monthly meetings. Along with our monthly meetings we hold different events like study halls, a Student Showcase, and holiday specific events like Friendsgiving. Our officers take turns bringing snacks and beverages. Most of the meetings run for about 30 to 45 minutes. The meetings are run by our club President. Our chapter advisor is active in attending meetings, but he leaves things to be student lead. He holds a weekly meeting for officers to make sure they are planning appropriately and have the right idea about events.

## **PROFESSIONAL DEVELOPMENT**

Our chapter attends KCOMPTEPS and KMEA ISW, but we do not host any of our own. Usually, we have a smaller turn out for KCOMPTEPS and a larger attendance for the KMEA ISW.

## **TRI-M**

Our school currently has no affiliation with Tri-M.

## **Future Chapter Plans**

Our Chapter leadership has many plans for the rest of this school year and the 2025-2026 school year! We hope to start fundraising by doing things like bake sales and other ways to fundraise. We are also hoping to get more guest speakers for the next school year along with being more active on social media! We also want to have more activities for students to get them involved and to gain members. We also want to bring back things from this past school year like our Friendsgiving in the fall and Student Showcase in the spring along with bringing out a table in our student union during music in our schools' month!

## **MEMBERSHIP and RECRUITMENT**

The growth that we experienced this past year was tremendous. Doubling in size and achieving interest from both previous upperclassmen holdouts and the freshmen and transfer students. We aim to continue this momentum going into this next academic year by continuing our outreach. At the very beginning of the year, we will begin our outreach efforts. One thing we strive and preach is that any individual passionate about music is allowed to join this organization, not just education majors.

## **FUNDRAISING**

This past year, our only source of fundraising was our annual Krispy Kreme donut fundraiser. We are aiming to diversify our attempts and look for new ones moving forward.

## **CHAPTER MEETINGS**

General Chapter Meetings occur once a month on Tuesdays at 10 am. Typical goals are information spreading, professional development, and provide updates on the state of the chapter. We are aiming to meet more frequently this coming next year. Our chapter advisor is incredibly passionate about this organization and assists as much as they can. The President and Advisor meet weekly to discuss upcoming events, reflect on previous endeavors, and plan for the future. The Executive Board meets biweekly to organize events, reflect on previous ones, and ensure that we are on the same page.

## **PROFESSIONAL DEVELOPMENT**

We are still ironing out our plans for going about professional development in an official sense. Nothing is set in stone quite yet. KCOMTEPS and ISW remain our most invaluable sources of learning.

## **TRI-M**

Our school currently has no affiliation with Tri-M.

## **Future Chapter Plans**

This past year was a terrific stepping stone year for our chapter. We aim to continue this positive momentum in a number of ways. Firstly, by reincorporating events with more fun back into our regular roster. These increase bonds across the board and serve as a nice reprieve from the usual dosage of practice, studying, and more practice.

Extending campus and community outreach is another priority. Collaborating with other educational organizations on campus and extending our hand to the surrounding schools and community.

## **MEMBERSHIP and RECRUITMENT**

Our chapter had steady membership this year, and attendance picked up even more during the spring semester. We made an effort to schedule most events during our university's concert hour so members could attend without missing class or rehearsal.

Looking ahead, we plan to get the word out about our events earlier and through more channels—including flyers, email, and social media. At the end of the year, we sent out a feedback form, and one of the biggest suggestions was to give more advance notice. We'll use that feedback to plan a clearer calendar next year and make it easier for members to participate.

## **FUNDRAISING**

We didn't host a fundraiser this year since many other music groups on campus were already holding their own. We wanted to support their efforts instead of overlapping or competing for donations.

Even so, fundraising is something we want to grow. Our officers are starting to plan ahead for a future fundraiser that fits with our chapter's goals and won't conflict with other department events. Our hope is to create a unique, annual fundraiser that becomes a regular part of our chapter.

## **CHAPTER MEETINGS**

We held several events this year, many in collaboration with ACDA and JEN. These included professional development, social activities, and chances to build community. One highlight was our **holiday party**, which brought together members from all three organizations for food, games, and time to relax before finals.

Our **bingo night** had to be rescheduled because of weather, but once it happened, it was a big success. Since we now own the materials we need for it, we plan to hold it every semester moving forward.

Another favorite tradition was "**Chips, Dips, and Study Tips**" on Reading Day. Members came by to study, enjoy snacks, and support one another at the end of the semester.

We also started planning an **end-of-year celebration**, but it ended up being canceled due to too many scheduling conflicts around finals. We're planning to bring it back next spring, and it will be one of the first things added to the calendar next year so it doesn't get lost in the shuffle again.

## **PROFESSIONAL DEVELOPMENT**

In the fall, 23 members attended **KCOMTEPS**, and we held a follow-up meeting to talk about what we learned. Before the **KMEA In-Service Workshop**, we hosted a session to help newer members know what to expect and how to make the most of the experience.

After KMEA, we met again to reflect and talk about ideas for future events. Members expressed interest in more sessions focused on **diversity and inclusion, LGBTQ+ representation in music education, and how to use technology and sound systems in school music settings**. These ideas will help shape what we plan for next year, and we're hoping to suggest some of them for future KCOMTEPS topics as well.

## **TRI-M**

Our school currently has no affiliation with Tri-M.

## **Future Chapter Plans**

Our main goals for the upcoming year are to increase visibility, improve communication, and create more consistent engagement. Based on member feedback, we're going to plan events further in advance and share details early through multiple platforms like email, GroupMe, flyers, and our chapter's social media pages.

We also plan to restart our **fall welcome event** to introduce new music education majors to CNAfME and help them get connected from the beginning. Alongside that, we'll continue developing fun and educational traditions like **bingo night, study socials**, and our **collaborations with ACDA and JEN**.

Another key focus is professional development. We'll build on the topics members showed interest in—especially inclusion, real-world classroom tech, and ways to support all learners—and aim to bring in more local educators as guest speakers. We want our events to be meaningful and practical for future teachers.

Finally, we're committed to finding the right fundraiser that reflects our mission and fits well with our calendar. Our goal is to make it a signature event we can repeat every year.

Number of KMEA ISW Participants	13

**MEMBERSHIP and RECRUITMENT**

Our numbers have stayed mostly the same since last semester. We are working on hosting a Music Organization fair at the beginning of the year with our ACDA, SNATS, and ASTA chapter to bring in members from those clubs, alongside gaining interest from any Music Ed. Major that slipped by us last year.

**FUNDRAISING**

Our final meeting of the year went well! We successfully held elections and transitioned our new executive board in!

**PROFESSIONAL DEVELOPMENT**

Our first PD opportunity will be later in the fall semester when our chapter joins our schools instrument repair instructor for a session on instrument care, with some hands-on experiences!

**TRI-M**

Our school currently has no affiliation with Tri-M.

**Future Chapter Plans**

We are preparing for the upcoming school year and welcome week in the school of music! I'm working closely with our chapter sponsor to ensure we get the incoming freshman class informed of NAFME and into our chapter! Our big goal this year is to provide PD opportunities to our chapter and invite speakers that appeal to all music major friends!.

Number of KMEA ISW Participants	9

**MEMBERSHIP and RECRUITMENT**

Our chapter is still becoming a solid chapter- however we have a fair amount of music majors coming in this fall to fill up some seats! We are looking forward to working with the incoming freshmen and helping them adjust to the college transition!

**FUNDRAISING**

Our goal is to fundraise for KMEA/NafMe dues, and possibly for a bus to KMEA!

**CHAPTER MEETINGS**

We have chapter meetings BI-Monthly or monthly depending on our schedules! Attendance is mandatory for all music ed majors, usually we keep them short and have food/ snacks whenever possible. In the past our meetings have been ran by our chapter advisor with the combined input of everyone. However, this is going to change due to our newly appointed leadership.

Our chapter advisor is Extremely involved and helps us out a lot!

**PROFESSIONAL DEVELOPMENT**

We have toured music factories and local music shops in the olathe/ kansas city area- we hope to continue doing this. We have not hosted any events for professional development, but we have done various community events for young musicians.

This year we plan to go to various concerts in the KC area and would like to host one local panel for prospective & current music ed students!

**TRI-M**

Our school currently has no affiliation with Tri-M.

**Future Chapter Plans**

We want to continue to grow as a chapter and as musicians. We would like to continue serving our community by doing things like the instrument petting zoo. We would like to start attending professional development events that could give us new ideas for our chapter- and for our community at MNU. We plan on hosting some campus events that gets students at MNU more involved with the fine arts programs and increases our attendance at concerts!

We are working on recruitment and going out to schools during the school year to give them a glimpse of the MNU difference! We also are trying to work on our advocacy for our chapter- not a lot of people know about us, so hopefully some events that we host will draw people near!

## **FUNDRAISING**

- We held three fundraisers this year.
- A hot cocoa sale after drum major auditions at marching band rehearsal, a bake sale, and a Chipotle fundraiser.
- Each fundraiser was effective enough for us to balance out to what we started with in the fall.
- We have many ideas! One is pieing a drum major or marching band GTA.

## **CHAPTER MEETINGS**

- Once a month
- You must attend at least two meetings prior to KMEA-ISW to go to KMEA. Occasionally we have food and games. This year, we had a prize for whoever attended the most meetings.
- About an hour or an hour and a half.
- This year, our treasurer ran them, as he also took over the vice president's duties.
- They are there for our executive board when we have questions, and assist us with money and banking insight.

## **PROFESSIONAL DEVELOPMENT**

- We advertise and attend events like KCOMTEPS and KMEA-ISW. Recently, this spring, some of our members participated in cleaning and fixing the brass instruments for the Marching Jayhawks.
- For each monthly meeting, we bring in a guest speaker to give a presentation.
- Only about 5-10 people, including executive board members.

## **TRI-M**

Our school currently has no affiliation with Tri-M.

## **Future Chapter Plans**

- For next year, we have many different ideas for meetings that are not presentations or game nights. We also have various fundraising ideas.

## **MEMBERSHIP and RECRUITMENT**

WSU C-NAfME has grown slightly since last year, despite losing a few senior members who since graduated. We had nearly 20 Music Ed freshmen join WSU C-NAfME at the beginning of the semester via the Student Organization site “ShockerSync.” We encourage all Music Ed majors to attend meetings and events as we try to maintain a united, well organized and well acquainted organization. We are especially working on ways to keep upperclassmen and student teachers actively engaged with us.

## **FUNDRAISING**

In the 23’-24’ school year, our NafME chapter was selected as a top student organization on campus and received a \$500 scholarship which is currently resting in our safekeeping account. We went through the appropriations process and received \$1500 from the Student Government Association, making a total of about \$2000 maximum spending budget for this past 24’-25’ school year.

This year, we hosted one of our two planned fundraisers. In December, we sold decorated sugar cookies in the School of Music to raise funds for KMEA registration fees. The second fundraiser idea was for the spring to raise funds towards purchasing C-NAfME t-shirts or other merchandise, but did not end up getting put together in time before the end of the semester. There have been ideas of a combined NafME, ACDA, and ASTA event or fundraiser at some point this year to encourage inter-organizational interaction.

## **CHAPTER MEETINGS**

We plan to hold a meeting every month. We do not currently have an attendance policy in place. We provide a table of snacks for every meeting which serves as strong enticement. We discuss business matters and upcoming events first thing, then follow that up with a guest speaker, lecture or discussion, a game or craft, or other opportunity to socialize with other members. Meetings are run primarily by the President but with assistance from the other officers, and typically last about an hour. The Secretary records the minutes of the meeting which are then sent out to the organization for those unable to be in attendance. Our chapter advisor is involved in the planning of meetings and events and sits in on our meetings and offer his voice when he has the availability to do so. Our first meeting in September had about 25 students in attendance. The annual NafME BBQ in September was a success with nearly 35 students in attendance, as well as all 4 Music Ed faculty and their spouses.

## **PROFESSIONAL DEVELOPMENT**

Our main opportunities for professional development are KMEA and KCOMTEPS. WSU also hosts a Kodaly workshop every fall for area music educators to attend. We plan on inviting

guest speakers to a few meetings, potentially including student teachers, graduate assistants, or perhaps a local well-known educator from one of the nearby schools.

### **TRI-M**

Our school currently has no affiliation with Tri-M.

### **Future Chapter Plans**

We are greatly looking for the start of the 25'-26' school year! Most of our board is returning, but we are welcoming a new Band Chair and a new Advisor. We are excited to continue to rebuild our numbers and engagement as we enter a new year. The whole board will be meeting in July to plan out the activities for the year. We will keep successful events from the past, like the annual NAFME BBQ in September and December bake sale, and we have a few new ideas in the works that we'd like to expand on. We will continue to search for ways to keep under- and upper-classmen alike engaged in organization activities all year, not just when KMEA time rolls around. We are also excited to continue new partnerships with the WSU ASTA and ACDA groups to continue intermingling of the different music areas.

**NAfME Collegiate President****June 5th, 2025****Keaton Alexander**[collegiate@ksmea.org](mailto:collegiate@ksmea.org)**Since the KMEA-ISW 2025 Board Meeting, I have:**

1. Contacted chapters to invite collegiate students to the KMEA Leadership Camp and the Collegiate June Board Meeting.
2. Held meetings with our President-elect Lexi Stone, Mr. Martinez, and Vice-President-elect Cameron Lynn.
3. Organized files in Collegiate President Google Drive to pass on to next Collegiate President, Lexi Stone.
4. Assisted the President-elect with appointing a new C-NAfME State Secretary.
5. Attended KMEA President Damian Johnson's KMEA Strategic Planning Meeting.
6. Attended Music Day at the Capitol and visited with legislators.
7. C-NAfME Constitutional Amendment Report: A few amendments to the KS C-NAfME Constitution were proposed prior to the March 2025 Collegiate ISW Board Meeting. These proposed amendments were voted on by all present during the meeting and were approved unambiguously. The changes made to the Constitution are now reflected in the Collegiate section of the KMEA website.
8. Worked with Ron Chronister to create Spring collegiate connection newsletter.

**Upcoming Events:**

- June Board Meeting (June 5-7)
  - Collegiate Leadership & Advocacy Summit & Hill Day (June 9-11)
  - July Board Meeting (July 24-26)
  - NAfME SW Division Meeting, Norman, OK (August 23-24)
  - KCOMTEPS 2025 (September 28)
-
