MEMBERSHIP and RECRUITMENT

We have another large group of incoming freshmen and transfers. We made announcements in all the music classes and ensembles leading up to our group registration day. We have a bulletin board we've been keeping up to date with information about registering for C-NAfME, KCOMTEPS, and the ISW. We got all our members (new and returning) together during a required recital class and walked everyone through the process of registering for the new year which is what we plan to do this year as well.

FUNDRAISING

We take part in the annual Christmas tree decorating contest held at Friends. This past year we placed third in the contest and received a monetary prize, however, that doesn't really count as fundraising

CHAPTER MEETINGS

We have our meetings once a month (occasionally twice if the need presents itself). This year we have decided on the first Monday of every month at 3pm. This is a time that conflicts the least with our campus's education and music classes. We try to provide snacks of some sort at most of our meetings. Otherwise, because everyone gets busy, we try to keep meetings short, sweet, and to the point, so it is usually just about business matters. We expect our members to be at all the meetings unless they have a class conflict or something else of that nature. If they can't attend, we expect them to inform an officer. The meetings are, generally, run by our officers with some supervising and guidance from our advisor.

PROFESSIONAL DEVELOPMENT

The Friends University Chapter plans to attend KCOMTEPS as well as the KMEA ISW. We will also be hosting teacher panels throughout the year, where we bring in local teachers and talk about different topics concerning teaching and music. This year's joint meeting with other chapters will also serve as a good chance to get some professional development.

TRI-M

Friends Univeristy and Wichita State plan to work with TRI-M Chapters from Wichita East, Wichita Southeast and Andover Central High Schools on a joint service project, where we will be collecting items for the Wichita Children's Home. This collaboration is planned to take place in the Spring semester.

2015-2016 Chapter Plans

After attending the ISW, our chapter plans to hold a panel session. Intersperced throughout the semester, we will be working with the special needs class through a program we call "Friendship Fields". What we are planning this year instead of a canned food drive is a collaboration with area Tri-Ms, where we collect items for the Kansas Childeren's home. We feel that by including these area high schools, we will be able to collect a plethora of items for the children's home. Also, throughout the year, our chapter assists our school by volunteering as ushers for the various concerts put on by the music, theater, and ballet departments. This helps out the main office; it opens our members up to all the different things happening in the school; and gives us opportunity to just be supportive and involved with the campus and our fellow classmates.

MEMBERSHIP and RECRUITMENT

Our numbers have grown significantly since last year. More students are actively participating because the chapter is doing activities and projects more frequently than in the past. We hold monthly meetings and find various events to volunteer at, which draws students in. Students are invited through encouragement of professors as well as flyers and email blasts.

FUNDRAISING

No fundraising was done last year. This year we plan to hold a bake sale, a pulled-pork parfait sale, possibly a GoFundMe campaign. Other ideas are being brainstormed.

Our hope is to raise money to purchase at least 2 new water fountains for the music building.

CHAPTER MEETINGS

We have one meeting agenda a month, which is presented at two different dates within the same week to accommodate more differing schedules. There is no attendance policy, but attendance is kept for records. Food is usually provided. Meetings last 30-45 minutes, run by the president with reports from vice president as well. Our chapter advisor attends meetings sometimes and is always available and willing to help when we need it.

PROFESSIONAL DEVELOPMENT

Our chapter members attend KCOMTEPS and KMEA every year. We also are trying to plan some events at WSU such as professionalism skills and Praxus workshops.

TRI-M

We have no known affiliation with TRI-M but would like to get in contact with local chapters and create some sort of collaborative project.

2016-2017 Chapter Plans

- Increase member participation
 - Raise funds to purchase 2-4 new water fountains for the music building
 - Serve at SCKMEA auditions and festival day
 - Performance projects with Cerebral Palsy Research Foundation
 - Serve WSU music department in various ways

MEMBERSHIP and RECRUITMENT

We are still growing our numbers from previous years. We are trying to expand into other music education areas outside of band. We try to recruit via word of mouth and stepping into freshman music ed classes. We host a no pressure meet and greet with chapter funded pizza. We are holding our members very well from year to year.

FUNDRAISING

We hosted a percentage night at Jasons Deli and made \$69.53. We also sold polos to people attending KMEA-ISW. Next year we hope to create a NAFME 5k fundraiser. There is also a plan to do a chipotle percentage night.

CHAPTER MEETINGS

We have a meeting once every month, and the only attendance policy is that members have to attend three meetings and one other event (or four meetings) to get a discounted hotel rate for the KMEA-ISW. The president normally runs meetings, and the chapter advisor attends frequently.

PROFESSIONAL DEVELOPMENT

We had sessions on performance anxiety, general music, "Music, more than sound", effective rehearsal techniques, and how to teach early theory. Also, we sent people to KCOMTEPS, Midwest, and the KMEA-ISW. We plan on having another full semester of professional music.

MEMBERSHIP and RECRUITMENT

This fall we participated in both the student activities fair as well as the majors fair to encourage music majors to join. We now have a much larger contingent due to the influx of freshman to the group. We also actively participate in social media interactions with past and current members to encourage music major involvement.

FUNDRAISING

We have support, from the music department, to help cover costs of student involvement in NAFME activities. We will also be selling concessions during our annual marching festival.

CHAPTER MEETINGS

We meet twice a month. This is designed to encourage positive interactions between the upper and lower classmen so as to support our music majors.

PROFESSIONAL DEVELOPMENT

Our advisors have made attending conferences a priority for our chapter. We plan to continue to take all active members and interested music students to KOMTEPS and KMEA this coming year.

TRI-M

Our school currently has no affiliation with Tri-M.

2015-2016 Chapter Plans

We are looking to perform outreach at a retirement community in the spring. We will do a fundraiser at the annual marching festival. We are exploring options with a possible boomwhacker choir.

MEMBERSHIP and RECRUITMENT

(How do your current numbers compare to years past? Is your chapter growing or shrinking? What types of membership drives or recruitment activities do you host or participate in? What is your retention like?)

Our membership is pretty steady; the amount we lose, we gain. We hope our membership will grow a lot more this year. We encourage every member to recruit new members. We are also going to try this year to have something fun at every meeting like pizza, games, or performances! We also plan on giving out a prize drawing every meeting based off of attendance. We are hoping these activities will get students excited to come to the meetings. This year we are also going to do a better job of informing people about the meetings through email, Facebook, Twitter, posters, speaking to music classes, etc.

FUNDRAISING

(How much did you fundraise last year? What types of fundraisers do you host or participate in?
How effective have they been? What are your fundraising plans for the upcoming year?)

Our fundraising came up with around \$300 for us to use for traveling, and other chapter activities. These came from OrangeLeaf, KSU Music T-Shirts, and a couple "Breakfast Bars" where we serve jucies, milk, coffee, tea, doughnuts, scones muffins, etc. As people are on their way to classes in the music building.

For this upcoming year we plan to do a lot of the same fundraising. We are working on a new T-shirt design. We hope to do more fundraising with the surrounding bussinesses; buffalo Wild Wings, Freddy's, Fuzzy's Tacos, etc. We are also thinking about doing a baked potato/ soup bar, in addition to the breakfast bar, during the lunch hours in the music building.

CHAPTER MEETINGS

(How often do you have them, do you have an attendance policy, is there food/games/merriment? How long do they last? Who runs them? How involved is your chapter advisor? Etc)

Chapter meetings happen once a month and normally include some sort of snack/food and we have a mix of general chapter business and panels/guest artists to come in a talk/demonstrate. This past year, we adopted a new attendance policy which allowed people to be gone when needed, but in order to void their absence, they had to watch the video we took of the meeting, and fill out a google form so we know they got the info. The form includes information like: When meeting was called to order, and adjourned, who presented, 3 take aways, etc.

PROFESSIONAL DEVELOPMENT

(What professional development events do you attend? Do you host any? What kind of turn out do you have for said events?)

The past semester, we hosted a graduate student panel that consisted of masters and Ph.D students in education, performance, and musicology/history in order to give our members an idea of what getting into grad programs and what going through grad programs are like. Our biggest PD conference we go to is KMEA. As stated above we had almost 20 people attend the ISW. We had other members attend and perform at the SWACDA conference in KCMO in March as well.

We have a lot of ideas for professional development clinics for this coming year. We are in the process of planning music education panels. The topic ideas range from aural skills workshop to how to direct a music theater production. We are also trying this year to create professional development opportunities outside of the NAFME meetings including volunteering at a local preschool and afterschool choir, Christmas caroling, etc.

TRI-M

(If you have no affiliation with a Tri-M chapter, please state "Our school currently has no affiliation with Tri-M).)

We are currently in talks with Riley County High School to be more involved with their TRI-M chapter. (Their instrumental director is a KSU alum!) We also learned this year that Chapman High School has a TRI-M chapter and we are thinking about getting involved with them to.

2016-2017 Chapter Plans

(This is the part where you tell me what you have planned for the upcoming school year so I know what I have to look forward to!)

This year we would really like to get people excited about music education. We want to make the meetings fun to come to. To do this we are going to do things that the chapters wants to do such as get speakers they want to hear, do activities they want to do, etc! We look forward to a great year!

MEMBERSHIP and RECRUITMENT

(How do your current numbers compare to years past? Is your chapter growing or shrinking? What types of membership drives or recruitment activities do you host or participate in? What is your retention like?)

Our members size has been the same as it has in previous years, however we have been recruiting a good amount of incoming freshman. It has shrunk since last year, mostly because of seniors leaving. To help recruit, we'll have members go to the band, choir, and orchestra with

popsicles to try to recruit new members. I also am trying to get non-music majors to join as well.

FUNDRAISING

(How much did you fundraise last year? What types of fundraisers do you host or participate in? How effective have they been? What are your fundraising plans for the upcoming year?)

We made around \$300 last year by selling World's Finest Chocolate Bars. This year we will either be selling those again or selling pizzas from a local pizza restaurant. So far our fundraisers have been successful.

CHAPTER MEETINGS

(How often do you have them, do you have an attendance policy, is there food/games/merriment? How long do they last? Who runs them? How involved is your chapter advisor? Etc)

We had a late start this year regarding meetings, however our first meeting is scheduled for the 26th. They usually last for about 30-45 minutes. In previous years we would have them around once every other month, but I would like to change it to once a month. Our attendance policy has been very loose. Our chapter advisor is very involved with us.

PROFESSIONAL DEVELOPMENT

(What professional development events do you attend? Do you host any? What kind of turnout do you have for said events?)

We do not host any professional development events. As of now the only ones we have attended was the KMEA ISW and now KCOMTEPS.

TRI-M

Our school currently has no affiliation with Tri-M.

2015-2016 Chapter Plans

(This is the part where you tell me what you have planned for the upcoming school year so I know what I have to look forward to!)

So far what I have planned for this year is a lot of events and fundraisers that'll help get our name out in the community. I plan on having two fundraisers, one for each semester. As well as having a community service day once a month. I also plan on getting together with our Kappa Kappa Psi chapter and the Emporia Arts Council to try to hold an event for the Emporia community.

Since the Summer 2016 KMEA Board Meeting, I have:

1. Worked with Lori Supinie and Dr. Frank Perez to plan the KCOMTEPS conference, with guest clinician Dr. Dee Hanson.
2. Attended the NAFME Hill Day, Collegiate Advocacy Summit, and National Assembly as part of the Kansas Delegation. We met with staff members for the representatives and senators, as well as Senator Jerry Moran. During the Collegiate Advocacy Summit, I met and talked with collegiate leaders from many different states, and discussed ideas and problems facing music education in our generation.
3. Attended the KMEA Late Summer Board Meeting.
4. Worked with Webmaster Troy Johnson to update our social media presence on Facebook (switching from a group format to a page format for better viewer numbers), and to move the voting for C-NAfME online.
5. Worked with Panya Amphone and Zach Seckman to begin a Collegiate Newsletter
6. Divided up Kansas into districts for our district meetings, worked with Panya Amphone and Zach Seckman to brainstorm ideas for the meetings.
7. Sent out a survey regarding food at the Collegiate Luncheon at the ISW.

Respectfully Submitted,
