MEMBERSHIP and RECRUITMENT

This fall we participated in both the student activities fair as well as the majors fair to encourage music majors to join. We also actively participate in social media interactions with past and current members to encourage music major involvement.

FUNDRAISING

We have support from the music department to help cover costs of student involvement in NAFME activities. We also sell concessions during our annual marching festival in the fall.

CHAPTER MEETINGS

We meet twice a month. This is designed to encourage positive interactions between the upper and lower classman to support our music majors.

PROFESSIONAL DEVELOPMENT

Our advisors have made attending conferences a priority for our chapter. We plan to continue to take all active members and interested music students to KCOMTEPS and KMEA every year.

TRLM

Our school currently has no affiliation with Tri-M.

2016-2017 Chapter Plans

We are planning to perform an outreach activity at a retirement community in April by sharing a 30 - 45 minute concert of music education student collaborations. We are also still exploring options with a possible boomwhacker choir.

Barton County Community College, Great Bend, KS.

MEMBERSHIP and RECRUITMENT

(How do your current numbers compare to years past? Is your chapter growing or shrinking?)

Membership is maintaining around 10-15 members. A little smaller this year.

What types of membership drives or recruitment activities do you host or participate in?

We ask for membership at the beginning of the year. Chapter memberships are paid from Regional Music receipts which our local chapter assists in sponsoring by ushering, set-up and tear down.

What is your retention like?

Retention is 100% from year to year unless a student transfers.

FUNDRAISING

How much did you fundraise last year?

Our fundraiser is regional music.

What types of fundraisers do you host or participate in? How effective have they been?

We have done community fundraising in the past. At first it was successful, but we quit because of lack of profit. At the time, our fund raiser was a hanted house at the college, but too many town organizations starting doing the same.

What are your fundraising plans for the upcoming year?

None planned as of yet.

CHAPTER MEETINGS

How often do you have them?

When necessary. On an average about 5 per year.

do you have an attendance policy, is there food/games/merriment?

No attendance policy. Meetings are held corresponding with music classes that all members are enrolled in during a particular hour of the day. We do host a music department social either at the end of the 1st semester or the end of the 2nd semester.

How long do they last?

50 minutes

Who runs them?

Chapter advisor

How involved is your chapter advisor?

Very involved.

PROFESSIONAL DEVELOPMENT

(What professional development events do you attend? Do you host any? What kind of turn out do you have for said events?)

*All chapter members are encouraged to attend KMEA workshops and concerts.
We used to attend KCOMPTEP, but there is an annual conflict.*

TRI-M

MEMBERSHIP and RECRUITMENT

(How do your current numbers compare to years past? Is your chapter growing or shrinking? What types of membership drives or recruitment activities do you host or participate in? What is your retention like?)

We have more members than we have ever had in the past few years that we have been on campus! We recently held a membership drive with a goal of 15 members, however we unfortunately only attained 5 members from this event.

FUNDRAISING

(How much did you fundraise last year? What types of fundraisers do you host or participate in? How effective have they been? What are your fundraising plans for the upcoming year?)

We made around \$300 last year by selling Worlds Finest Chocolate Bars. We plan on selling them again after KMEA. Next year I would like to see us sell a different item, it only depends on how well we sell the chocolate bars this year.

CHAPTER MEETINGS

(How often do you have them, do you have an attendance policy, is there food/games/merriment? How long do they last? Who runs them? How involved is your chapter advisor? Etc)

We have held around one to two chapter meetings every other month so far. They usually last anywhere from 30 minuets to an hour. Our chapter advisor is usually there for any questions that our members might have.

PROFESSIONAL DEVELOPMENT

(What professional development events do you attend? Do you host any? What kind of turn out do you have for said events?)

This year we have not attended to any professional development events, nor have we hosted any.

TRI-M

2015-2016 Chapter Plans

(This is the part where you tell me what you have planned for the upcoming school year so I know what I have to look forward to!)

My main goal with the 2015-2016 school year was recruitment and chapter growth, and with the 30 members that we have being the most members we had since NAFME came to ESU (and with a few being non-music majors) I am very glad with my goal being reached. I also plan on having us make more money than we have last year with our fundraiser. I would also like to get our chapter involved with the Emporia community, either with our Kappa Kappa Psi chapter or the Emporia Arts Council. I think it would be a great way to get not only NAFME, or music in the spotlight, but arts as a whole.

MEMBERSHIP and RECRUITMENT

We have another large group of incoming freshmen and transfers. We made announcements in all the music classes and ensembles leading up to our group registration day. We have a bulletin board we've been keeping up to date with information about the ISW. We got all our members (new and returning) together during a required recital class and walked everyone through the process of registering for the new year which is what we plan to do this year as well.

FUNDRAISING

We take part in the annual Christmas tree decorating contest held at Friends. This past year we placed third in the contest and received a monetary prize, however, that doesn't really count as fundraising. This year we did not place and therefore did not make any money.

CHAPTER MEETINGS

We have our meetings once a month (occasionally twice if the need presents itself). This year we have decided on the first Monday of every month at 4pm. This is a time that conflicts the least with our campus's education and music classes. We try to provide snacks of some sort at most of our meetings. Otherwise, because everyone gets busy, we try to keep meetings short, sweet, and to the point, so it is usually just about business matters. We expect our members to be at all the meetings unless they have a class conflict or something else of that nature. If they can't attend, we expect them to inform an officer. The meetings are, generally, run by our officers with some supervising and guidance from our advisor.

PROFESSIONAL DEVELOPMENT

The Friends University Chapter attended KCOMTEPS and is currently as the KMEA ISW. We will also be hosting teacher panels throughout the year, where we bring in local teachers and talk about different topics concerning teaching and music. This year's joint meeting with other chapters will also serve as a good chance to get some professional development.

TRI-M

Friends University and Wichita State plan to work with TRI-M Chapters from Wichita East, Wichita Southeast and Andover Central High Schools on a joint service project, where we will be collecting items for the Wichita Children's Home. This collaboration is planned to take place March 6th- 17th.

2016-2017 Chapter Plans

After attending the ISW, our chapter plans to hold a panel session. Interspersed throughout the semester, we will be working with the special needs class through a program we call "Friendship Fields". What we are planning this year instead of a canned food drive is a collaboration with area Tri-Ms, where we collect items for the Kansas Children's home. We feel that by including these area high schools, we will be able to collect a plethora of items for the children's home. Also, throughout the year, our chapter assists our school by volunteering as ushers for the various concerts put on by the music, theater, and ballet departments. This helps out the main office; it opens our members up to all the different things happening in the school; and gives us opportunity to just be supportive and involved with the campus and our fellow classmates.

MEMBERSHIP and RECRUITMENT

(How do your current numbers compare to years past? Is your chapter growing or shrinking? What types of membership drives or recruitment activities do you host or participate in? What is your retention like?)

We have about the same membership numbers as years before. We are in a neutral state of recruitment neither growing or shrinking. We try to recruit members through word of mouth, social media, and flyers around McCain.

FUNDRAISING

(How much did you fundraise last year? What types of fundraisers do you host or participate in? How effective have they been? What are your fundraising plans for the upcoming year?)

We raised about \$300 in fundraising through bake sales, profit sharing, and musical performances. We have also filled out grants through the Student Government Association to receive funding for professional development trips.

CHAPTER MEETINGS

(How often do you have them, do you have an attendance policy, is there food/games/merriment? How long do they last? Who runs them? How involved is your chapter advisor? Etc)

Chapter meetings happen once a month and last about an hour. They normally include some sort of snack food and we have a mix of general chapter business presented by the officers and panels/guest artists to come in a talk/perform. Perfect attendance is required to be a member however if a member needs to miss a meeting they can watch the video we took of the meeting and fill out a google form to make up attendance. The form includes information like: When meeting was called to order, and adjourned, who presented, 3 take aways, etc. This semester our advisor has not been to any of our meetings but he has helped us a lot outside of the meetings.

PROFESSIONAL DEVELOPMENT

(What professional development events do you attend? Do you host any? What kind of turnout do you have for said events?)

We host professional development events throughout the year. This past semester we held a conducting lab led by the graduate students in the masters in conducting program. We also hosted a panel made up of professionals from K-State about developing a private studio. They are always a good turnout.

TRI-M

(If you have no affiliation with a Tri-M chapter, please state "Our school currently has no affiliation with Tri-M).)

Our school currently has no affiliation with Tri-M. However, Riley County High School and Chapman High School have TRI-M chapters that we aspire to reach out to.

2016-2017 Chapter Plans

(This is the part where you tell me what you have planned for the upcoming school year so I know what I have to look forward to!)

Going to the KMEA In-Service Workshop is our biggest professional development event of the year so after that we kind of slow down. Next month we are super excited to have Dr. Ruth Gurgel present her research on culturally relevant pedagogy in the music classroom. We also plan to have an ice cream social at the end of the year to say goodbye to the seniors and to get people interested in joining next year.

MEMBERSHIP and RECRUITMENT

We are still trying to expand into other music education areas outside of band. We have had success in doing this from the preivous year. We try to recruit via word of mouth and stepping into freshman music ed classes. We host a no pressure meet and greet with chapter funded pizza. We are holding our members very well from year to year.

FUNDRAISING

There is a plan to do a chipotle percentage night. It has been approved and is offerening a high percentage for participating. Last semester was focused a large amount on boosting morale and having more social events. There is still brainstorming taking place for more fundraisers.

CHAPTER MEETINGS

We have a meeting once every month, and the only attendance policy is that members have to attend three meetings and one other event (or four meetings) to get a discounted hotel rate for the KMEA-ISW. The president normally runs meetings, and the chapter advisor attends frequently.

PROFESSIONAL DEVELOPMENT

We have had sessions over the difference between choral, orchestra, and band conducting and had a local music store discuss clarinet repair with us. Another session included a grad student talking about teaching young aged jazz students and there was also a meeting over things strings methods didn't teach me. We also sent people to KCOMTEPS, Midwest, and the KMEA-ISW. We plan on having another full semester of professional music.

TRI-M

The University of Kansas currently has no affiliation with TRI-M.

2017 Chapter Plans

Spring Semester:

New teacher panel or Student teaching panel
Flute repair
Cookie Decorating
Video Game Night
Neely or GTA speak about full symphonic orchestra (High school)

Brainstorming:

Instrument repair (woodwinds, teach small things that we can fix)
Try to do 5 events for the first semester
Similar to Dr. Murphy's talk (theory pedagogy)
String (tast or Lauren Rigby) Stuff we don't learn in strings methods
Jazz (how to deal with instrumentation, etc)
Choral (we liked Dr. Tucker) maybe Dr. Farrah
Choral repertoire
Differences in conducting styles (band vs choir)
Social- meet and greet, game night, sports
NAfME picnic
Intermural team

Number of Active Members	23 members
Number of KCOMETP Participants	6 members
Number of KMEA ISW Participants	19 members

MEMBERSHIP and RECRUITMENT

In years past, our membership has been between 15 to 20 members so we have grown significantly between in the recent years. We do not currently do much on the recruitment side of chapter development but are attempting to improve on it. For the most part, we retain about 75% of our membership between school years.

FUNDRAISING

I do not have the numbers on our fundraising from Spring 2016 but in Fall 2016, we fundraised \$260 in a pancake feed put on in October. Our main fundraisers have been a pancake feed and a chili feed and have been semi-successful due to campus restrictions. Our current fundraising

plans for this year include our annual chili feed but we hope to branch out by putting on a recital of NAFME students where we will take donations.

CHAPTER MEETINGS

Our chapter has regularly scheduled bi-monthly meetings but we meet more based on necessity. We do not have an attendance policy but in order to adjust to the busy schedules of our majors, we have two meetings in a given week and members are only required to go to one. We try to schedule separate times where we have activities and food such as movie or game nights.

Meetings tend to run half an hour to an hour and chapter president runs the meetings. Our chapter advisor is involved mainly in the background, mainly helping the chapter representatives organize different things for the chapter.

PROFESSIONAL DEVELOPMENT

Currently the only professional development events that our chapter attends is KComtep and KMEA ISW. We have been working to organize an event where we involve the teachers of the community as a panel where they come and speak about a specific topic and allow for music education students to ask questions.

TRI-M

Our school currently has no affiliation with Tri-M.

2015-2016 Chapter Plans

Our chapter efforts has been focused on more involvement in both our department and the community. For example, our chapter helped our Phi Mu Alpha and Sigma Alpha Iota chapters in cleaning up our departments band room. We are planning to work with our community's

Discovery Center to put on an afternoon of music related activities for young children to participate in to learn about music. We also hope to work more closely with the schools in our community and work with individual students or sections. As I mentioned above, I hope that we can work with teachers in the community to organize events where students can talk about different topics with them.

Number of KCOMETP Participants	70
Number of KMEA ISW Participants	70

MEMBERSHIP and RECRUITMENT

Our numbers have grown significantly since last year. More students are actively participating because the chapter is doing activities and projects more frequently than in the past. We hold monthly meetings and find various events to volunteer at, which draws students in. Students are invited through encouragement of professors as well as flyers and email blasts.

FUNDRAISING

This year we have held one bake sale which was pretty successful. We plan to have at least 2 more this school year, along with an online fundraising campaign.

Our hope is to raise money to purchase at least 2 new water fountains for the music building.

CHAPTER MEETINGS

We have one meeting agenda a month, which is presented at two different dates within the same week to accommodate more differing schedules. There is no attendance policy, but attendance is kept for records. Food is usually provided. Meetings last 30-45 minutes, run by the president with reports from vice president as well. Our chapter advisor attends meetings sometimes and is always available and willing to help when we need it.

PROFESSIONAL DEVELOPMENT

Our chapter members attend KCOMTEPS and KMEA every year.

TRI-M

We have no known affiliation with TRI-M but would like to get in contact with local chapters and create some sort of collaborative project.

2016-2017 Chapter Plans

- Increase member participation
 - Raise funds to purchase 2-4 new water fountains for the music building
 - Serve at SCKMEA auditions and festival day
 - Performance projects with Cerebral Palsy Research Foundation
 - Serve WSU music department in various ways
 - Serve university and community in various ways
 - Practice room beautification project
 - TRI-M collaborative project
