MEMBERSHIP and RECRUITMENT

We have more current members than we did last year.

Our chapter is growing, but we haven't had a steady number of people return to each meeting yet.

We recently just hosted a "KCOMTEPS registration meeting", where we had the most people attend, and sign up to be members!

FUNDRAISING

Last year we did little to no fundraising.

As a chapter we have discussed hosting bake sales, and small performance opportunities on campus for music students.

We have not yet had any fundraisers.

We plan to host a small outdoor performance this year, to raise a little money, but also advocate for our music program, and advertise the chapter!

CHAPTER MEETINGS

We are hosting a chapter meeting on the last Friday of every month.

We do not have an attendance policy, and due to COVID-19 we have not yet had food at any meetings.

Most of our meetings have lasted 30-45 minutes.

Our board works together to create a schedule and run the meeting.

Our chapter advisor is super involved in the board and we have weekly meetings to check in, but in our actual meetings he mostly just observes!

PROFESSIONAL DEVELOPMENT

We as a chapter are planning on attending the 2020 KCOMTEPS and KMEA ISW.

We currently do not have any other professional developments planned to either attend or host.

TRI-M

Our school currently has no affiliation with Tri-M.

Future Chapter Plans

In the future we are planning to visit some high school TRI-M chapters to promote Butler's music education program!

MEMBERSHIP and RECRUITMENT

Our membership has steadily increased, we have had many incoming freshman and transfer students attend our meetings. The Chapter Officers visited the Freshman Music Education Seminar to recruit. We also did outreach by encouraging all musicians in ensembles to join regardless of whether or not they were specifically Music Education majors. Most of our recruitment has been virtual due to COVID-19. We have done recruitment through our school's Registered Student Organization Virtual Activities fair and promoted our Chapter via social media (Instagram, Twitter, Snapchat, and Facebook).

FUNDRAISING

We have held lollipop fundraisers in the past and they were somewhat effective. We have been trying to brainstorm ways to fundraise this semester/school year, but admittedly, it has been a bit of a struggle with Coronavirus.

CHAPTER MEETINGS

How often do you have them? officers meet with the Chapter Advisor weekly or as needed. We have made an effort to have monthly meetings as an entire chapter. Due to COVID-19, many issues have been discussed via email. We have held our meetings over zoom: we had one informational meeting and a NAFME Music Trivia Night. Our meetings were run by the officers, having shared responsibilities. Our meetings typically last one hour.

PROFESSIONAL DEVELOPMENT

What kind of turn out do you have for said events? Our Chapter has members attend KCOMTEPS and ISW every year. We intend to host events to watch and participate in NAFME Academy or Webinars, especially those that can be done virtually. We also plan to virtually host guest speakers this Fall Semester 2020.

TRI-M

Our school currently has no affiliation with Tri-M.

Future Chapter Plans

We have plans to continue having monthly chapter meetings as well as various professional development and social networking events. We intend to virtually host guest speakers and watch webinars as a chapter. We also have plans to have more game nights. We are currently brainstorming fundraisers that can still be done during the pandemic.

MEMBERSHIP and RECRUITMENT

Our numbers continue to grow slowly as more freshmen are declaring music education as their major. Membership tends to fluctuate as some members walk away from the music education major and others find their calling in music education. We often have a handful of performance majors join our group for our benefits. (KCOMTEPS, ISW, snacks, etc.) We typically retain a large amount of our members.

As for recruiting, we hold a membership drive in the first semester. We, as well as the other music groups at our schools, hold a presentation at our concert hour to the new freshman. This year, due to COVID, we could not hold an in person membership drive. So, we instead filmed videos explaining how to register online to be a member and sign up for KCOMTEPS. We plan on doing a bonding activity over zoom to allow social distancing.

FUNDRAISING

We have not started any fundraising this year. We were originally planning on selling pre-packaged goods before and after concerts and during finals week, but due to concerts going virtual and our school not allowing pre-packaged food to be given out or sold, we are in the process of forming new ideas to fundraise.

CHAPTER MEETINGS

Our chapter meets on a monthly basis. As our students are highly busy we have a flexible attendance policy. However, this year we are getting stricter on attendance and it is the expectation that they should notify members of the cabinet and it is the members responsibility to ask for the agenda and get updated. We are now filming our meetings so that people who cannot attend in person, or cannot attend at all, can either participate virtually or watch the meeting after it occurs.

PROFESSIONAL DEVELOPMENT

We have attempted to host a teacher panel in April; however, due to COVID-19 and the mental health of our chapter, we have decided to reschedule. This year, we plan on doing a virtual panel to allow a wider variety of teachers to attend. We also plan on opening this event up to chapters all over the state. We are beginning the process of looking into what questions the students want to discuss with a panel and what kind of teachers (grade level, type of ensemble, etc.) the students would like to see on the panel.

TRI-M

Our school currently has no affiliation with Tri-M.

Future Chapter Plans

We plan on continuing our current traditions but also adding more opportunities for our chapter. These opportunities include service projects for our local music educators and hands-on professional development for our younger members. We are also beginning the push of a larger social media presence by starting an instagram page and possibly a snapchat to allow a wider variety of outlets to share what we are doing as a chapter.

MEMBERSHIP and RECRUITMENT

Our chapter has shrunk due to the high number of seniors that graduated in the Spring 2020 semester, as well as the all-online format that is essentially required by organizations at K-State during this semester, but our recruitment has increased in our music education courses due to our executive team's proactive nature about communication with our faculty. Most of our recruitment is related to music education courses and activities, as well as general department meetings when we can advocate for the chapter, so this was greatly reduced because of COVID-19 precautions. Our retention is good, as almost all of our active members continue with us during their college education. Overall, our numbers have stayed between 50-70 total members, 20-35 active members (according to our bylaws, these are members who pay chapter dues and attend a set minimum number of meetings per semester), and 40+ KMEA ISW attendants; thanks to the online format, this is the first year since 2017 that our chapter members have been able to attend KCOMTEPS.

FUNDRAISING

We raised around \$500 last year through profit-sharing with chain restaurants like Chipotle and Panda Express. We tend to gravitate to these types of fundraisers as the process around them is simpler than independent fundraisers such as merchandise sales and food sales. We have seen them raise less than \$50 when there is little to no planning and/or chapter activity and seen as much as \$150-200 raised in past years from individual events. In addition to chapter dues, our fundraisers are more than sufficient to cover all chapter activities, even during normal years where we helped members pay for travel costs to the KMEA ISW. We have not made many definitive plans for fundraisers due to COVID-19 precautions.

CHAPTER MEETINGS

We hold hour-long meetings every two weeks on Tuesdays at 6:00 PM and have done so since the 2018-19 academic year. We normally provide food when in person and balance informative meetings with fun meetings; however, this year, all of our meetings focus on professional development with a number of them involving fun activities or restorative topics, such as self-care. The Chapter President presides over meetings unless they are unavailable, in which case, it passes onto the Vice President and further on as needed. Our chapter advisor is fairly uninvolved since he tries to allow the student leadership to gain experience with administration but is always available when needed and communicated with.

PROFESSIONAL DEVELOPMENT

All of our chapter meetings this semester will involve professional development in some way. In the past around half of our meetings fulfilled this purpose. Beyond that, we have not hosted any

clinics or extra events since before 2017. Our meetings normally have somewhere between 10-25 attendants.

TRI-M

Our school currently has no affiliation with Tri-M.

Future Chapter Plans

With fundraising, we are still trying to plan a merchandise fundraiser selling K-State Music gear, as well as increasing our number of fundraisers during normal operation periods. With meetings, we plan on continuing with our new plan of having all meetings provide professional development, even if they have fun elements. We have tabled our idea about a recital involving members and alumni. Lastly, we are looking at doing another major advocacy event such as having a group play at Botanica during the holiday season.

MEMBERSHIP and RECRUITMENT

Our numbers have increased since last year. Our chapter is growing. We hosted a first “getting to know you meeting,” along with a picnic in the park by the time of KCOMTEPS. Retention is almost 100% of all seniors, juniors and sophomores.

FUNDRAISING

Last year we fundraised about \$500 (I’m waiting on my treasurer to be in contact with the bank). We did a fundraiser through Panera and Chipotle. We also hosted a bake sale. They were highly effective, as we made a good amount of money. We are currently trying to get some restaurant fundraisers, along with a coffee fundraiser.

CHAPTER MEETINGS

We have increased the number of meetings for the semester since we are meeting over zoom. We do have an attendance policy, all members must attend 3 meetings if they wish to receive a discount on the KMEA ISW. We have yet to have a guest speaker but our first meeting only lasted 30 minutes. I (William Kleemann, President) run the meeting at the beginning, and then turn it over to our guest speaker/other exec board members. Our chapter advisor came to our first meeting this year, and has been actively involved with our relationship with the bank (trying to get the account moved from the old treasurer’s name to our current treasurer) and also the logistics of planning meetings. He is also available via email.

PROFESSIONAL DEVELOPMENT

KU NAFME-C will be sending some members to KCOMTEPS. Additionally, professional development happens almost every meeting where we have a guest speaker. We host professional development events whenever we have meetings with a guest speaker (this happens four times this semester). Turn out typically is good for these events, I have not had a formal professional development event this year so I do not know how the turn out will be yet.

TRI-M

The University of Kansas currently has no affiliation with Tri-M.

Future Chapter Plans

Tom Davoren, Sara Bollinger, Matt McGrory and Taylor Watts are all scheduled to come speak at our meetings. Additionally, we are hosting a “Mocktails” night (non-alcoholic beverages only) on Friday, 10/16.

MEMBERSHIP and RECRUITMENT

We have a pretty good sized freshman class this year which is consistent to most years!

Our chapter is growing overall.

Retention is decent for the first two years but once members are in their junior year they typically become much less active, less motivated to attend meetings.

FUNDRAISING

\$0 were fundraised last year.

Our chapter would like to begin fundraising. We typically utilize monies from our student government association allocated to our chapter but we do not have outside money at this point.

A goal to do a merchandise based fundraiser (popcorn, suckers, march) is in talks for this year!

CHAPTER MEETINGS

Monthly meetings. Typically one business and one social.

No attendance policy. We do like to include food/games but limited with COVID.

Meetings last One hour and are Led by president or the officer that planned the meeting.

Our chapter advisor works to attend each meeting as he is able.

PROFESSIONAL DEVELOPMENT

We attend KCOMPTEPS and KMEA-ISW as a chapter and encourage attending Wichita State hosted Professional Development based events.

We try to incorporate professional development into all of our programming. We have invited practicing teachers, leaders, and other music professionals to speak at meetings.

Turnout varies based on length of notice prior to the event and time of day.

TRI-M

Our School Currently has no affiliation with Tri-M

Future Chapter Plans

Our chapter plans to continue programming meaningful educational content for our members.

We are still working to learn and grow this fall through NAFME!
