| B - ISW APP | <ul style="list-style-type: none"> ● Proposal was delivered at the Late Summer Board Meeting to KMEA Leadership. ● Conclusion was that an ISW Mobile Application is not being pursued due to the following factors: <ul style="list-style-type: none"> ○ Cost versus return ○ Overall interest across the board ○ Redundancy in current workings ● Upshoot is that it may be revisited someday. There is interest that if you know any engineers or computer scientists that would be willing to create a Mobile Application for a Capstone project and without pay it is worth looking at again. |
| C - Collegiate Leadership Advocacy Summit | <ul style="list-style-type: none"> ● Occurs in June annually, and is open to all Collegiates. ● During the Collegiate Advocacy Summit, I met and talked with collegiate leaders from many different states around the country, and discussed ideas and problems facing music education in our generation. |

| | |
|---|--|
| | <ul style="list-style-type: none"> ● Below are a few main takeaways: <ul style="list-style-type: none"> ○ Get involved in advocacy! With our Collegiate Membership at reduced prices we get access to all the things a full membership does. <ul style="list-style-type: none"> ○ There are journals of music education helpful for research projects and references that we do for our classes and self-engagement. ○ NAFME Academy, which are short module type sessions focused on particular topics. Similar to Canvas, Blackboard, and other learning management systems. ○ Webinars for specific collegiate inquiries as well as broader topics. ● If you want contact information to perform cross state joint meetings, I can connect you with the Missouri CNAfME & Oklahoma CNAfME Presidents. |
| <p>D - NAFME Southwestern Division Leadership Meeting</p> | <ul style="list-style-type: none"> ● Occurs bi-annually, and functions to strengthen state level leadership in the NAFME Southwestern Division. ● Emphasized the importance of National Membership. |

| <p>D - Collegiate Mixer Event</p> | <ul style="list-style-type: none"> ● There has been a request to look into if there could be a "Collegiate Mixer Event" at the ISW. ● The argument for this event would be that Collegiates only have the board meeting and the luncheon, which seem very formal. An event like this would be more casual and for networking. ● Arguments against this would be time, space, and logistics. <ul style="list-style-type: none"> ○ All in favor of pursuing this as a potential event in the upcoming ISW: ○ 20 votes (everyone in the room) are in favor for a collegiate mixer event |
